

PERFECT WORLD

A NEW MUSICAL

Dia Day | *Sophie*

Día is no stranger to performing arts, as she started taking dance classes at just 18 months old! She has been doing musical theater shows since she was 4 years old, working her way up from junior shows, to mainstage community theater shows, to regional theater, and now her first equity show! She is thrilled to be a part of this wonderful production, and to help tell this fascinating story. Some of her past favorite roles include Brigitta Von Trapp in 5-Star Theatricals' *The Sound of Music* at the Kavli Theater, Little Girl in *Ragtime* at the El Portal Theater and at the Simi Valley Cultural Arts Center, Mike in *Newsies* at the Simi Valley Cultural Arts Center, and Clara in *The Nutcracker* at Smothers Theater. In addition, Día is a member of SAG/AFTRA and has appeared in many commercials, films, web series, and TV shows, the most recent of which was an episode of *The Bachelor* 2025. Other credits include *CSI: Vegas*, *Pose*, and an upcoming feature film that has not been released yet! Follow her adventures on Instagram: @itsdiaday
